

Costume Gallery has been serving the dance and recital industry for over 50 years. Ellen Ferreira is the 3rd generation to lead this growing and successful family owned business. She and her husband, Rick, are passionate about offering great quality and value with each and every costume they sell.

Every year, nearly all of the costumes are new, reflecting the latest in age appropriate, hip, cool and edgy designs. The employees at Costume Gallery make every effort to bend over backwards to not just satisfy customers, but to turn them into enthusiastic fans. The shared spirit of camaraderie and passion to create a special dance experience is what keeps studio owners not only coming back year after year, but recommending Costume Gallery to their colleagues.

We hope you enjoy your experience with us because at Costume Gallery, you're not just buying costumes you're buying peace of mind.
